PROFESSIONAL SUMMARY

B.Tech. CSE (Artificial Intelligence) student with hands-on experience in Python, C/C++, SQL, and AI-based projects. Experienced in developing AI-powered applications using modern frameworks and APIs, with exposure to internships and hackathons. Interested in AI/ML and software development, focused on building practical, real-world solutions.

SKILLS

Python (NumPy, Pandas, Matplotlib) | C/C++ | Java | HTML | CSS | JavaScript | MySQL | Git & GitHub | Prompt Engineering | AI/ML | DSA | Problem Solving | Analytical Thinking | MS Office

EXPERIENCE

Robotics using AI & IoT Intern — EduSkills Academy — Jan 2026 – Mar 2026

AI & Cloud Technology Intern — Edunet Foundation — Sep 2025 – Oct 2025

Artificial Intelligence Intern — CodSoft — Aug 2025 – Sep 2025

EDUCATION

B.Tech. — Computer Science & Engineering (Artificial Intelligence) — 2024–Present
Dr. A.P.J. Abdul Kalam Technical University | CGPA: 8.36

Senior Secondary (Class XII) — CBSE — 2023–2024
Science Stream (PCM) | 82.00%

Secondary (Class X) — CBSE | 92.40% — 2021–2022

PROJECTS

ThemisAI — AI-Powered Legal Assistant
Technologies: React.js, Tailwind CSS, JavaScript, Google Gemini API, jsPDF

AI Mental Wellness Voice Assistant
Technologies: Python, Flask, Google Gemini API, gTTS, SpeechRecognition, Pygame

AI-Based Movie Recommendation System
Technologies: Python, Streamlit, Pandas, Scikit-learn, Sentence Transformers

Voice-Controlled Music Player Assistant
Technologies: Python, SpeechRecognition, gTTS

CERTIFICATIONS

- Problem Solving Certification — HackerRank
- Python Certification — OneRoadmap
- SQL Certification — OneRoadmap
- AI – Data Engineering Analyst — National Skill Development Corporation
- AI Skills Passport Certification — Microsoft

ACHIEVEMENTS

- Winner, Ideathon at Techinertia 3.0, GNIT (IPU), Greater Noida
- Finalist, Daksh Hackathon 2025, G.L. Bajaj Institute of Technology and Management, Greater Noida
- Maintained CGPA above 8.0 throughout the B.Tech. program
- Scored 92.4% in Class X board examinations

INTERESTS & LANGUAGES

Interests: Music, Cricket, Chess, Coding, AI/ML
Languages: English, Hindi, Maithili
